

# 2024 National Narrow Gauge Convention Contest in Pittsburgh

*Chair: Dennis Vaccaro*

*Volunteer: Steve Zapytowski*

## 2024 NNGC Contest Introduction:

The contest committee would like to welcome you to Pittsburgh. We encourage you to bring a model or photograph to enter in our contest. This is the time to show off your latest creation.

This a nonjudged popular vote contest. You may enter as many categories as you like, but keep in mind, if you enter more than one model or photograph in the same category you are competing with yourself.

We recommend you download a contest entry form and fill it out prior to leaving for the convention. Doing so will save you time and aggravation at check in. The form will be available to download from this webpage.
